

FOUNDER SUCCESSION & INCAPACITATION ADDENDUM

This addendum defines authority continuity in the event of founder incapacity, death, or voluntary relinquishment.

Triggering Events

- Medical incapacitation exceeding 30 consecutive days
- Legal incapacity declared by court
- Voluntary written declaration by Founder
- Death of Founder

Interim Authority

Until permanent succession is executed, operational authority shall default to a designated Interim Operator or remain frozen except for asset-preserving actions.

Execution

Founder Signature: _____
Date: _____
